

PrimeCare Silver

PPO

Thank you for considering CHA Health. Our Prime Network offers you one of the largest choices of participating providers in Kentucky. The PrimeCare Silver plan, our PPO option, gives you even more choices with out-of-network benefits and has no referral requirements for specialty care. For provider information go to www.cha-health.com or our Prime Network Directory. Questions? Call CHA Health Member Services at 859-232-8686 or 800-457-5683.

In-network benefits apply to covered services received from participating providers. **Out-of-network benefits** apply if you receive covered services from non-participating providers. Out-of-network benefits require you to pay substantially more, including deductible, coinsurance and any amount above the eligible expense.

This is a summary of benefits. Refer to the Certificate of Coverage for complete information. Prior Plan Approval requirements apply to certain services from both participating and non-participating providers.

DEDUCTIBLE: The dollar amount that the Member pays for Covered Services before the Plan will provide benefits. The Deductible applies to all services except prescription drugs, autism, and services to which a Copay applies. Expenses accumulate separately toward the In-Network Deductible and Out-of-Network Deductible.

PRESCRIPTION DRUG DEDUCTIBLE: The dollar amount that the Member pays for covered prescription drugs before the Plan will provide benefits.

OUT-OF-POCKET LIMIT: When the Out-of-Pocket Limit is reached in a Plan Year, the Plan pays 100% of Eligible Expenses for Covered Services. The Deductible is included in the Out-of-Pocket Limit. These expenses do not apply toward the Out-of-Pocket Limit: prescription drugs, autism services, non-covered services and services rendered after a benefit limit is reached.
