

2091-17J

DIMINISHABLE SKILLS

NEW
16 Hours

This course will offer training in five topics related to diminishable skills for law enforcement officers including firearms, driving, defensive tactics, legal update, and officer survival first aid. The learning outcomes for this course are for the student to receive updates on necessary basic skills and legal knowledge. The training will help identify the importance and need to train in these diminishable areas.

Attendees: Prerequisites:

Any Rank

None

Career Development Category: Technical

Risk: High **Fitness Level:** High

Note:

Note: Note:

This course involves outdoor projects which may be conducted during inclement weather conditions. Students will report to this training course with full duty belts, service weapons with 50 rounds of ammunition, and an agency issued vehicle.

This course is less than the required 40 hours. Therefore, you will need to take another course(s) in order to obtain the 40 hours training as required by KRS 15.404.

Agencies should note that there will be 24 hours of other training courses offered at this training site in order for officers to obtain the required 40 hours of annual training in one specific week. Please check the training schedule by month listed at the back of the book to determine which courses are combined with the date/location you are considering.
