

**8 Hours****NEW****HOSTED**

This course is designed to encourage objective and rational thinking combined with proper decision making concerning emergency driving situations including whether to engage in a vehicle pursuit. The learning outcomes for this course will be to prepare law enforcement officers for the mental and physical stressors that are part of emergency and pursuit driving. The student will increase understanding of physical limitations and increased perception response times of the human body under various conditions.

**Attendees: Prerequisites:**

Any Rank

None

**Career Development Category:** Technical**Risk:** Low**Fitness Level:** Low**Note: Note:**

This course is less than the required 40 hours. Therefore, you will need to take another course(s) in order to obtain the 40 hours as required by KRS 15.404.

Agencies should note that there will be 32 hours of other training courses offered at this training site in order for officers to obtain the required 40 hours of annual training in one specific week. Please check the training schedule by month listed at the back of the book to determine which courses are combined with the date/location you are considering.
